Dance

The children will explore stories featuring dinosaurs and create their own set of dinosaur movements. They will turn these movements into short motifs which will be linked together to create a class dance, performed to a piece of music.

A motif is an idea or simple story told through movement and dance.

Our Special Books

- What is a Christian?
- What is the Bible?
- What type of stories can we find in the Bible?
- Can you name any other special books?

Key Information

Christians believe God came to Earth in human form as Jesus.

Christians believe Jesus came to show that all people are precious and special to God.

The bible is **a holy book for Christians**. It contains the stories of the creation of the world, Noah's Ark and the flood, the birth of Jesus, His crucifixion, resurrection and much more. The Bible contains lots of stories called parables.
